## About ICMAI

The Institute of Cost Accountants of India (ICMAI), a premier statutory professional body established under an Act of Parliament, is dedicated to the promotion, regulation, and development of the Cost and Management Accountancy profession in India. With a legacy of excellence and global recognition, ICMAI equips professionals with specialized knowledge in cost management, business strategy, financial decision-making, and value creation, enabling them to serve in diverse sectors of the economy.

At Sri Ramachandra Faculty of Management Sciences (SRFMS), we take pride in our academic collaborations that bring real-world value to students. Since 2021, SRFMS has been in a strategic MoU with ICMAI, under which we successfully launched the Certificate Programme in Healthcare Finance—a pioneering initiative in a rapidly growing domain. Building on this partnership, SRFMS is now offering the CMA Foundation Course, providing students with a structured pathway into the prestigious CMA profession while benefiting from the strong academic ecosystem of SRFMS, SRIHER

## Why ICMAI

In today's globalized economy, organizations seek professionals who not only understand numbers but can also create value, shape strategy, and drive sustainable growth. Cost and Management Accountants (CMAs) are uniquely positioned to fulfill these roles. With rigorous training and comprehensive education provided by ICMAI, CMAs develop multifaceted expertise that makes them indispensable across industries.

## Professional Avenues for CMAs

CMAs serve as value creators, enablers, preservers, and reporters, playing pivotal roles in both strategic and operational aspects of businesses.

Career Opportunities Across Sectors:
